About TeamSpirit Software Ltd

TeamSpirit Software is part of TeamSpirit Holdings Ltd, a leading provider of human resources and payroll software and services. TeamSpirit has over 25 years of experience in delivering innovative payroll and human resources software. TeamSpirit software has been successfully implemented in over 500 clients with payrolls ranging up to 50,000 employees. The software was also the first ever to be approved by HM Revenue and Customs, achieving the Payroll Accreditation standard in October 2000 and has gained the standard each year since.
